

The 3rd Asian Maritime Law Conference

This year, the Maritime Law Association of Singapore (MLAS) celebrated its 3rd edition of the Asian Maritime Law Conference. Attracting over 100 participants from more than 15 countries, The 3rd Asian Maritime Law Conference was held at Swissôtel Merchant Court, Singapore on 6 to 7 May 2010. Its theme: Arrest, Arbitration and Restructuring.

Business networking opportunities were plentiful, with delegates and speakers making full use of the tea break sessions and a networking evening reception held at Ivory Kitchen, Clark Quay to mix and mingle, share their industry knowledge, and learn more about recent maritime developments.

A site visit to Maritime Port Authority of Singapore's Port Operations Control Centre and Integrated Simulation Centre was held on the 5th of May in conjunction with the event. Participants got a glimpse of how the Port Operations Control Centre manages the shipping traffic within the Singapore Strait, and had the stimulating experience of steering a ship in the marine simulators!
